

# CALLED TO SERVE 2010

## Pax Christi Middle School Work Camp Application

**Called to Serve** is a work camp for middle school students who are hungry to impact their world. Our program is founded on the Catholic Social Teachings, and this year we will be focusing on the preferential option for the poor. At **Called to Serve**, we experience community building through music, games and fun. Then, we take it to the streets, serving the people of Rochester as a concrete way of showing God's love. The goal of **Called to Serve** is to give students an opportunity to grow closer to God while developing a heart to serve those around them.
